Subject: Dimock Water Site ceiling status

Rich,

I just wanted to advise you that another 85% letter is in the process of being sent to the CO.

Kemron estimates that we will exceed 85% of the current ceiling around June 30th 2012. This will leave only approximately \$16, 441.69 remaining in the ceiling around July 1st 2012.

Because of this fact it is recommend that if no additional ceiling increases are received by then that Kemron demobes it's equipment (water trailers etc) & personnel by July 1st.

If no additional ceiling increases are received by June 22nd I will begin notifying the vendors to remove the water trailers on June 30th 2012.

Regards

Dave Bofinger
